Achieve a reliable source of power to your mobile phones without any flaw with the selection of this MIGHTY MAX BATTERY 7-Rechargeable F Sealed Lead Acid Battery. ... 12V 3AH SLA Replacement Battery for B& B BP3-12 (4) Questions & Answers (1) Hover Image to Zoom. Share. Print \$ 19. 99 (\$19.99 /battery)

The CS-ICM220TW is a high-quality two-way radio battery designed for use with select Icom models. With a capacity of 1100mAh and a voltage of 7.2V, this Ni-MH battery offers reliable power to keep your radio running when you need it most.

The bad battery only charges up to 5.5V using the Icom wall charger Nov 2023. This is beyond the Amazon return window. The good battery charges up to 7.5 to 8.0V after recharging and supplies adequate power to an Icom IC-T7H. Hopefully the supplier will read this review and provide a replacement battery.
