The Fixed Storage and Energy Transfer Device are devices used to power Energy Transfer Terminals in Fontaine in Genshin Impact 4.1. Learn about Fixed Storage and Energy Transfer Devices, as well as how to use them! What are the Fixed Storage and Energy Transfer Devices?

How do you unlock a research terminal in Genshin Impact?

Acquiring the Energy Storage Device and unlocking the Research Terminal is part of the An Eye for An Eye Quest in Genshin Impact. Players must collect three Energy Storage Devices and use them on three different Terminals to remove the barriers blocking the Research Terminal.

Where can I find fixed storage devices & energy transfer devices?

Fixed Storage Devices and Energy Transfer Devices are an exploration mechanic in Fontaine currently found in the Liffey Region and Fontaine Research Institute of Kinetic Energy Engineering Region. They can be found both underwater and on land. Fixed Storage Devices are stationary and Energy Transfer Devices can be moved by the player.

How much storage does Genshin Impact take?

And for the detailed recommended device specs, you can click the link and check the post from miHoYo. Please note that although it requires only 30 GB of storage space on PC and PlayStation consoles (8 GB on mobile phones), it usually takes more space when you install the game. You might ask:

What is a fixed storage device?

Fixed Storage Devices are energy storage units that are commonly seen near Energy Transfer Terminals and allow energy to be transferred from storage devices to them. They can easily be classified due to how their bases are fixed to the ground. Unlike the Fixed Storage Device, these can be picked up and placed anywhere within a limited area.

Can storage devices provide energy to transfer and research terminals?

Storage devices can provide energy to Transfer and Research Terminals. Pick up a portable storage device and put it next to a terminal that has stopped functioning to return it to normal operation. Community content is available under CC-BY-SA unless otherwise noted.
