

Poly 157mm P1575BB104M8

157mm*157mm#177;0.5mm 220.7mm#177;0.5mm 5*0.56mm#177;0.1mm bus bars(silver)104 lines,Silicon oxide + blue silicon nitride compound anti-reflection coating(PID Free) ... P1575BB104M8 1 Ultra-Efficient solar cells 1 Low pressure diffusion with good uniformitySilver 1 front contact bars 1 Silicon nitride anti-reflection coating.

Poly-Crystalline Cell 5 Bus- Bar 157 Poly -crystalline Silicon Solar Cell. Description Dimension: 157 mm x 157 mm #177; 0.5 mm; Wafer Thickness: 200 mm #177; 30 mm. Front side (-): 0.7#177;0.1mm silver segmented busbar. Blue anti-reflecting,coating(silicon nitride). Back side (+): 1.8#177;0.2mm wide silver/aluminum soldering pads, aluminum back ...

POLY 157 POLY 157 Daqo Group Co., Ltd. Cell Type: Polycrystalline Power Range: 3.948~4.668 Wp Region: China Contact Manufacturer Note: Your Enquiry will be sent directly to Daqo Group Co., Ltd.. Alternative Product STD-TM1218 STD From EUR0.0819 / Wp Maximum Power: 11.24 ...

Take hybrid meetings to the next level with the Poly Studio X70 and Poly Studio E70 designed to generate meeting equality September 13, 2021 - Poly (NYSE: POLY) today announced the addition of the Poly Studio X70 and Poly Studio E70 to its family of video conferencing solutions at Zoomtopia 2021. The Poly Studio family is designed to upgrade the ...

Annuaire des Cellules Solaires. Bienvenue au r#233;pertoire de produit solaire le plus avanc#233; au monde. Les fabricants de panneaux peuvent utiliser nos filtres techniques de pointe pour trouver des cellules photovolta#239;ques qui correspondent exactement #224; leurs besoins.

Poly 157mm 5BB Poly 157mm 5BB TN Solar Price: From EUR0.0457 / Wp Cell Type: Polycrystalline Power Range: 4.42~4.67 Wp Region: China Contact Manufacturer Note: Your Enquiry will be sent directly to TN Solar. Description: HJT 2.0 Technology-0.26%/#176;C Pmax temperature coefficient. SMBB design with Half-Cut Technology ...
