Die RENAC Turbo H3-Serie ist eine Hochspannungs-Lithiumbatterie, die Ihre Unabhängigkeit auf ein neues Niveau hebt. Kompaktes Design und Plug & Play erleichtern Transport und Installation. Maximale Energie und hohe Ausgangsleistung ermöglichen die Sicherung des gesamten Hauses sowohl in Spitzenzeiten als auch bei Stromausfällen.

Turbo H3 Series. User Manual 5 . 2. Safety . 2.1 General Safety . The Turbo H3 Series battery is for residential and works with a photovoltaic system. It is a high voltage Li-ion battery storage system, with the control module on itself, it could be operated in on-grid, off-grid and backup modes with compatible inverters.

A Detailed Explanation of the Key Parameters of HV Residential Storage Batteries Taking RENAC Turbo H3 as an example Residential energy storage system, also known as household energy storage system, is similar to a micro energy storage power station. For users, it has higher power supply guarante...
